EDITORIAL

Cast your eyes to the right, and tell us this isn't the hottest selection of women anywhere on the top shelf this month. You can't. In fact, top shelf be damned, these girls are hot enough to burn up the middle shelf pretenders as well. The bottom shelf? Sorry, we're not really competing with *The Guardian* and *Doctor Who Magazine*, although we've probably got sexier chicks than them as well. Although that Amy Pond is alright... ♣

Dear Club,

I think I need some advice, from fellow readers of your esteemed journal, or maybe from you boys at the magazine, because I'm sure you're all men of the world. I'm torn; a man in conflict. Life used to be so simple, but now it will never be the same again. Why? Well, because a week ago I fucked arse for the first time, that's why. And what's more, I fucking loved it! So what's my problem? Well, now I just want to fuck nothing but arse. Muff no longer holds such appeal for me since my first entrance into the dark underworld of forbidden fruit.

It was a bright, sunny day; a day like any other, you might think. I was working from home that day, and was surprised to hear my doorbell ring mid-morning. I got up to answer it, in my dressing gown (one of the perks of working from home) and saw Lucy, one of my neighbours, on the step. She's an attractive woman, a few years older than me, but in great shape. Her husband works away a lot, it turns out.

Anyway, she said, "Hey, Kirk – everything okay? I saw your car in the drive, and thought you might be sick or something."

"Don't worry, Lucy – I've never been better. Fancy a cuppa?"

"That'd be nice. Actually, I even brought some homemade chicken soup, because I thought you might have a cold or something!"

"Blimey," I thought, leading Lucy indoors, "she really is concerned." That is, until I took the container off her and it was light as a feather – as in, empty light. "Um, Lucy? This is empty," I explained as we walked into the kitchen.

A RIGHT KARI ON

Your pictorial of Kari in Volume 39 No. 4 was sensational! Not only is Kari one of the most beautiful girls you have featured in a while, but the photography was outstanding. The close up and about life size pictures of her sensuous and delicate fleshy petals and puckered arsehole were just incredible and felt just like being between her lovely legs (pages 47-48) but to finish I loved the poster showing her proudly pushing her tight little botty high into the air for the admiration of her many fans (pages 50-51). Kari you are a little star!

James, London

We thought those pictures of Kari were pretty special too, which is why we made her the centrefold of that issue. Although, such were the wondrousness of those 'fleshy petals', we could probably have covered the centrefold with them in life size. Don't worry, we're working on getting her back into Club as soon as possible!

MARKETA FORCES

Hi, after reading issue 39.5, I'm finally in love. As a 30 year old male, I've have been reading porno magazines for over 12 months now. I'd just like to comment that Marketa is so damn horny, she has lovely eyes, a nice body and tits that I'd love to get my mouth around her nipples. I look forward to seeing her again in the pages of *Club*.

Yours sincerely,
Lloyd, Stratford-upon-Avon

Just 12 months? Whatever have you been up to for the last 12 years? And think of all the stonking issues of Club International you've missed. You'll be glad to know, Lloyd, that we've had Marketa in before and we'll definitely have her in again, as we love her too. Now we respectfully refer you to our back issue department...

"It is?" she smiled. I opened the tub, and what was in there but a couple of condoms. Well, this was turning out to be quite the morning. I hadn't fucked anyone in a few weeks, and my nuts were fit to burst, so by the time I got to her in the kitchen my impressive cock was already halfway up. Lucy looked pleased by the way it practically unfurled out of the front of my gown. She was just in a T-shirt and short shorts, which were off in no time. We kissed – a lot – and I got my hands on that tight bod of hers. Fuck, this was hot. She sucked me off for a while, really getting a throatful of cock, which I, of course, loved. I played with her sweet tits while she did this too, so I wasn't having all the fun!

My cock was fully erect and I really, really wanted to fuck, but Lucy also knew what she wanted – which was to get really wet first. She stood, I knelt, and when my tongue tasted her sweet twat I thought it was heavenly. She was already pretty wet, of course, but I worked on her love button and fucked her gently with two fingers until her inner thighs were sticky with cunt juice.

I walked her over to the sofa, then bent her over the arm so her arse was high in the air. I put on a condom, then eased my prick into her soaking hole until I could feel my nuts getting wet

BRITS OUT! ♣

Club unearths a homegrown hornbag...

Discovering super-fit British girls is what brought *Club* into existence, but it's harder than it looks. To be perfectly blunt, they've all bugged off these last few years, although we reckon 2010 is a bit of a rude renaissance when it comes to Brits who'll show you their bits. Sasha, Natalia, Gemma... and now Anna Lovato. Where've you been hiding?

"I never thought I could be in *Club*," Anna says far too modestly, "but a friend of mine persuaded me, and now I feel really confident on camera."

And so you should.

"Thanks. But what I really want to do now is get it on with those other British girls you mentioned. Boy, what I wouldn't do to that Sasha!"

Now you're giving us ideas. Very naughty ideas... ♣

Gigi wants to get physical, physical...

Some horrible, hateful people don't have to do anything to maintain a fit body in peak condition. Lucky bastards. The rest of us have to shell out for gym memberships that we use twice in the first week, and then watch as the direct debit goes out every month to no discernible effect.

Gigi's solution is simple. She's never been to a gym in her life, she just reckons you can fuck yourself fit.

"Why pay to do squats when I can squat over a cock and bounce up and down for half an hour?" asks the LA resident, sensibly and pertinently. "And if you need any encouragement to exercise, I reckon me bent over a table with my pussy or butt on a plate should do the job. With every thrust you're burning calories and making me cum. It's win-win..." ♣

CLUB'S ROUGH GUIDE TO...

THE BRITISH OPEN CHAMPIONSHIP

WITH YOUNG GUNS, BRITISH HOPEFULS, AMERICAN HOTSHOTS AND A PATCHED-UP TIGER WOODS TAKING TO THE FAIRWAYS OF ST ANDREWS, MATT LUXHAM THINKS THIS YEAR'S OPEN COULD BE THE MOST EXCITING IN YONKS...

HISTORY

First played on the 17th October 1860 at the Prestwick Golf Club in Ayrshire, this year's British Open Championship at St. Andrews will mark both the 139th running of the tournament and 150 years since Scotsman Willy Park Senior won the inaugural event, beating fellow Jock Old Tom Morris by two strokes.

Traditionally the third major of the year and contested on one of nine links courses on a rotational basis across England and Scotland, The Open has grown beyond all measure since eight Scottish professionals battled it out for the prize – a red leather belt with a silver buckle – back in 1860.

The belt was 'retired' in 1870 after it was given to Young Tom Morris for winning the tournament three times consecutively, to be replaced by The Golf Champion Trophy, or the Claret Jug as it's better known today.

Scottish players dominated the early years of The Open, until Englishman John Ball, who incidentally was also the first amateur winner, broke the blanket Jock dominance with victory in 1890, a decade that also saw back-to-back wins for England's John Henry Taylor and triple triumph for Jersey legend Harry Vardon.

Initially taking place over 36 holes, in 1892 this was extended to the 72 that remains the format today, and the half-way 'cut' was introduced in 1898 to allow for the increasing number of entrants.

By the time the first American-born player, Walter Hagen, lifted the claret jug in 1922 the tournament had become a thoroughly international affair, attracting hundreds of entrants from Britain, Europe and beyond. Indeed, in 1926, when the sensational young US amateur Bobby Jones won the first of his three Opens, the packed field had necessarily been culled from 293 to 117 with the help of regional qualifying events.

Since then, golfers from all around the world have made their mark on the famous tournament, with South African duo Bobby Locke and Gary Player winning seven times between them, Aussies Peter Thompson and Greg Norman emulating that feat, and Argentina's Roberto De Vicenzo becoming South America's only ever Open Champion in 1967.

Arnold Palmer, Lee Trevino, Seve Ballesteros, Jack Nicklaus... and the list of luminaries goes on. But who will be the next player to add their name to that incredible roll of honour?

LINKS LEGENDS

HARRY VARDON

'Mr Golf', as he is otherwise known, won The Open six times between 1896 and 1914, a tournament record that still remains to this day. Vardon also popularised the grip that bears his name and which the majority of golfers still

use, and, slightly less importantly, was the first professional ever to play in knickerbockers. Not his wife's bloomers, but baggy knee-length trousers.

In addition to his achievements in the British Open, Vardon won the U.S. version in 1900 and was joint runner-up to amateur and apparent no-hoper Francis Ouimet in 1913, an unbelievable shock result that was documented in the book and subsequent movie, *The Greatest Game Ever Played*.

TOM WATSON

Just one short of Harry Vardon's record, five time British Open Champion Tom Watson almost equalled it last year when he went into the final hole at Turnberry needing just a par four to lift the trophy. Alas, he bogied and lost the subsequent play-off to Stewart Cink, but Watson's performance at the ripe old age of 60 was still nothing short of remarkable.

Generally regarded as one of the greatest links players of all time, something that is reflected in the fact that five of his eight major tournament wins have come on the links courses of The Open, Watson should line up at St. Andrews again this year in a bid for that elusive sixth victory.

SEVERIANO BALLESTEROS

'Seve' announced his arrival on The Open stage when he achieved a second place finish in 1976, aged just 19. The enigmatic Spaniard didn't have to wait too long for his first victory in the tournament, which came three years later at

Royal Lytham in 1979.

In addition to winning the U.S. Masters twice, Ballesteros also picked up a couple more British Opens between that first major victory and 1988, before a back injury led to a severe loss of form in the 90s.

Seve retired from professional golf in 2007 and was subsequently diagnosed with a brain tumour, but having undergone treatment he rather amazingly plans to make a comeback and compete in a four-hole tournament on the eve of this year's British Open alongside the likes of Jack Nicklaus, Tom Watson and Nick Faldo.

TIGER WOODS

After a recent hiatus due to a car, a tree, and very well-documented personal problems, one of the finest golfers ever to take to the fairways is back to place fear in the hearts of his rivals.

Although still very much in his prime, Tiger Woods has already earned legendary status thanks to an eleven year period in which he won an incredible fourteen majors, including three British Open Championships, and he'll be the player that everyone's eyes will be on come tee-off time on the 15th of July.

His recent form has been patchy, to say the least, since his return at the U.S. Masters, where Tiger placed joint-fourth. He missed the cut for only the sixth time in his fourteen-year career in a recent PGA Tour event, and he pulled out of another before the final round with a neck injury.

Tom Watson follows through...

Ross Fisher nips off for a fag break.

Ian Poulter: Good golfer, shit hairdo.

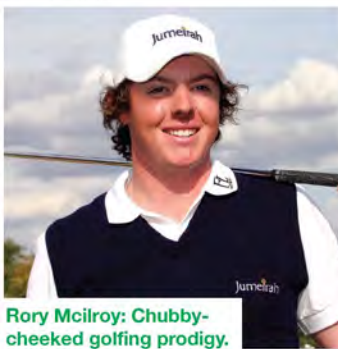

Lee Westwood: 'Car boot sale, four quid'..

Harry Vardon mixes fashion with fairway.

'Did someone just say prostitutes?'

Rory McIlroy: Chubby-cheeked golfing prodigy.

Seve hails the arrival of the first Tapas stall at Royal Lytham, 1979.

However, Tiger is still a huge favourite for this year's Open, and would you be prepared to bet against him?

HOMEGROWN HOPEFULS

IAN POULTER

As famous for his outrageous dress sense as for his ability on the golf course, Hitchin's Ian Poulter has nevertheless been politely knocking on the door of a major victory for a couple of years now.

He was the clubhouse leader before the fourth and final round in the British Open Championship at Royal Birkdale in 2008, before finally finishing runner-up to Ireland's Pádraig Harrington, and at this year's U.S. Masters he shot a hole in one and chalked up an impressive joint-10th place.

Perhaps most significantly, however, in February Poulter won the World Matchplay in Arizona, meaning he goes into The Open on the back of his biggest career victory to date.

LEE WESTWOOD

A roller-coaster of a golfing career has seen Nottingham's Lee Westwood take in both the highs and the lows. He emerged onto the scene in the late-90s and enjoyed several top-10 finishes in major tournaments before tinkering with his swing and enduring a run of missed cuts that left him on the brink of obscurity.

But now Westwood is firmly

back on the scene, and after tying for third place in both last year's Open Championship and the final major of the year, the PGA Championship, he carried his great form into the 2010 U.S. Masters and bagged second place.

RORY MCILROY

He's the current hotshot of the game and recently became the first player since Tiger Woods to win a PGA Tour event before his 21st birthday – and he did it in style, setting a course record of 10 under par in the final round.

Fellow professionals such as Phil Mickelson have even compared McIlroy to a young Tiger, and most consider it a matter of time before the man from Northern Ireland wins his first major tournament. If he can hold his nerve under the weight of expectation, who knows what might happen at the British Open?

ROSS FISHER

After putting together an incredible run of form in 2008 and 2009, Ross Fisher now finds himself amongst the dark horses for this year's Open, and it would be no surprise to see him topping the leaderboard at St. Andrews.

From relative golfing obscurity, Fisher won the European Open, finished second in the BMW Matchplay and managed fifth in the 2009 U.S. Open, before taking a two-stroke lead into the final round in the British Open and ruining his chances of lifting the claret jug with a heart-breaking quadruple bogey at the eighth from which he didn't manage to recover.

THE BRITISH OPEN CHAMPIONSHIP 2010

On the 15th July 156 players will take to the Old Course at Royal St. Andrews in a bid to become the 139th Open Champion.

With Tiger Woods enduring a difficult return to the game and several homegrown players recently running into form, the stage is set for the first British victor since Scotland's Paul Lawrie at Carnoustie in 1999.

Naturally, former winners of the prestigious Claret Jug, including South Africa's Ernie Els, Ireland's Pádraig Harrington and the very much in-form Phil Mickelson might have something to say on the matter, but the fact remains that there's a lot of Brits playing well at the moment, headed by Westwood, Poulter, McIlroy and Fisher.

Following performances that

rolled back the years from Greg Norman in 2008 and Tom Watson in 2009, many fans will also be interested to see if a veteran can emerge from the pack again this year to cheer the galleries.

So pull up an armchair and bed in for the weekend, because this year's British Open promises plenty of thrills and spills.

DOWN THE WIRE

CLOSE PUBIC SHAVE

Thirty-seven-year-old trailer park splasher Megan Barnes faces at least a year of personal grooming time in jail after causing a head-on car crash near Key

West, Florida, owing to the fact that at the time of the impact she was shaving her pubes... while her dozy ex-boyfriend reached over from the passenger seat and held the steering wheel steady. Megan was en route to a hot date, and for some reason her ex was accompanying her.

The pair kept on driving in what remained of their car, but were spotted by eagle-eyed cops in Cudjoe Key and pulled over. Though the dopey duo had swapped seats, airbag burns on the boyfriend's chest gave the game away, since the driver side airbag hadn't deployed on impact.

Police found a razor on her and Megan admitted to having been 'tidying up the forest' prior to their big night out when they slammed into the other vehicle. As if this wasn't bad enough, matters began to look bleaker when the cops consulted their squad car computer and found that Megan had been banned from driving for five years only the day previously, following a conviction for drunk driving. The car she was driving was supposed to have been impounded and she had been sentenced to nine months probation. Her hot date may have gone off the boil before she re-emerges from the nearest women's prison sometime next year.

FORMER REDS SQUARE OFF

Merry hell reigned when the Ukrainian parliament recently 'debated' a cooperation-with-Russia bill, with several dozen members piling into a bizarre and homicidal brawl which involved widespread exchanges of blows, headlocks, glue being poured into the voting machines, the detonation of a smoke bomb and volleys of rotten eggs being tossed at the speaker's platform.

Asked by TV anchors what he thought of the former Soviet satellite state's parliamentary debate, chuckling Russian president Dmitry Medvedev played with his nose and described the Ukrainian antics as being typical of the chamber's 'traditional elegance'.

JETPACKS COMING SOON

In a development which some (though very few) US economics commentators are citing as proof that the global recession may be over, New York City girls with more money than sense have cleaned out Jimmy Choo shoe stores of Choo's new blinking women's shoes with five-inch heels... each purchase a snip at \$2,495 per pair. The heels light up brightly with every step the wearer takes, although the non-rechargeable batteries reportedly require replacement after approximately every 100 times they're worn.

TURNING THE TABLES

Twenty-eight-year-old businesswoman/heiress/sex symbol Ivanka Trump's number one (alleged) stalker Justin Massler has been released on bail,

telling everyone who'll listen that he has a new plan of action that's guaranteed to win Miss Trump's affections. The 27-year-old man, who faces charges of criminal stalking, explained that, rather than imposing himself on Ivanka, he would instead 'become like a big-time millionaire, a real estate mogul... so that she's the one who contacts me.' Foolproof.

INTERPLANETARY TOOLS & STOOLS

Much to the embarrassment of several former astronauts, the California Historical Resources Commission has formally claimed about 100 items which are presently sitting on the surface of the moon: among them bags of urine and faeces left there by Neil Armstrong and Buzz Aldrin.

All the items were left behind in the course of the Apollo 11 landing in 1969, and, since California companies were instrumental in that mission and only the moon's surface itself is off limits to ownership claims under international law, the Commission has more right to the legendary space pioneers' poo than they do themselves. The Commission has also demanded the flag and a couple of tools. Though it's hard enough to find a screwdriver in the garage when you need one, never mind in the Sea of Tranquility...

from that frothy cunt.

Lucy was so hot, she came in just a couple of minutes,

screaming while she climaxed, but it was what followed that surprised me. Once she'd calmed down, and I started stroking my cock into her again, she stopped me, saying, "No, I want it in the arse. Do my backdoor like a dirty slut! Use my juices!"

I like to think I'm a good listener, so I pulled out and slathered her brown eye in her pussy sauce before I slid my thick fuckstick into her impossibly tight bumhole. Well, from that moment on I was converted to bum sex. So tight, so hot, so fucking dirty. Lucy let me fuck her hard and fast in that beautiful arse until I was about due to cum, then I pulled out and finished porno-style, whipping off the condom and shooting the lot over her back and across her buttocks.

Since then I've fucked Lucy's twat almost every day, but I'm finding myself more and more drawn toward fucking her back door. Can you help?

Kirk, Oxford

No, we can't help Kirk. You don't need help. You just need a load of lube. Fill your boots with some wrong 'un sex while you can, because it doesn't come around that often. Trust us... ♣

Nothing is shifting Adela & Natasha...

To see our real lezzie lickin' go to:

www.paulraymond.com/club

Like most people, Adela and Natasha have got a list of things they need to get done every day. Unlike many of us, however, they don't really plan on getting any of them done, not when there's a bed with their name on it.

You could call it lazy, but it actually takes quite a lot of energy to lick your middle finger and work it in and out of another pussy, before applying your tongue and sticking that in the same sweet, slurpable hole. And with these girls making a real day of fucking the hell out of each other, it can get pretty exhausting.

I mean, we're fit for the knacker's yard after a wank, but these two are still going after multiple orgasms and with a bunch of dead sex toy batteries lying around. In fact, we're quite sleepy at the very thought of it... ♣

letters Ginny

Dear Ginny,

You're such a dream that you get my imagination working overtime, so I just had to share my fantasy with you.

I'm an umpire at a tennis match in which you're playing. You're wearing a tight top, and your lovely nipples are sticking through; but what really gets me going is your little white skirt which rides up every time you move to reveal a tiny pair of white knickers.

Watching you as you run and jump gets me as horny as hell and by the way you are smiling at me I'm sure that you've noticed.

After the game you ask me to come to the dressing room, and you tell me that you've been feeling horny all through the game — and you had noticed my hand-on!

Next minute you have my cock in your mouth, and before I can help it my spunk explodes down your throat. You sit back smiling and start fringing yourself, at the same time rubbing the handle of the tennis racket in a very suggestive way!

This gets me going even more, and I stand behind you and rub your tits, then bend you over and push my cock deep into your pussy. I love doing it doggy style, and I would fuck you like crazy!

— *Kenny, Chidsbank*
Well, Kenny, you certainly know how to tighten my strings, and if the two of us got together I'm sure we'd make a fair old racket! I'm not much of an expert when it comes to tennis, but I reckon with a coach like you my game would really come on in leaps and bounds. With my service and your delivery, I'm sure we'd win at mixed doubles — it might even be a love match!

Dear Ginny,

My cock is so excited at the thought of seeing you every month in *Club*. I really like to imagine you're watching me as I stroke it, trying to decide whether to come over your sensational bottom or your incredible pussy. Probably both! I know in the months to come you'll have me shooting my spunk all over

NERDERY

Club has always been at the cutting edge of computer gaming. From *Horace Goes Skiing* to *Space Harrier* to, er, that dirty adventure game set in Soho we once tried to have a reacharound over. Here we way lyrical about the Megadrive. Of course, Sega could do no wrong in the console world, could they?

RAQ OFF

The year might be 1990, but we reckon *Club* girl of the year Racquel Darrian would still do pretty well now. We'd certainly spoil her ballot. Of course, we're not sure what the editors of the time were doing pretending the top Yank porn star was from Birmingham. Rest assured, we'd never make that mistake now..

3

GINNY TONIC

The current Editor would like to confess that Ginny was his first even porn mag love, and he learned all he knows about scud mags (i.e. very little) from making sure her pages stuck together. He wrote her letters and everything. She never replied, but now he has power over all things and will make it happen!

4

LIBERAL LABIA COALITION

The 1990 girl of the year contest saw *Club*'s own Ginny come in second, with Racquel Darrian triumphing in a closely-fought battle. To be fair, the entire top 10 are stunners worthy of the *Club* name, and we reckon Ginny could grace any top 10 in any year. But that's because the Editor is still in love with her and will stop at nothing until she belongs to him. ♠

to establish the winner. Finally, it was Racquel Darrian who clinched first place with over 5,000 votes. The amazing thing is that this was just eight more than one regular columnist's choice, and only 31 votes behind her came sex-bomb Michaela, when you consider that over 25,000 of you voted in our largest-ever poll, you can see

how little there was in it! As ever, Racquel is rewarded with her own celebration photos on the page. But since the results were so close this year, we're bringing up a few surprise favourites over the next few months. Look out for them! Here, though, is every girl from our top ten of 1990 — all together for the first and last time. They're the best girls from the best magazine in Britain, which makes every one a winner, enjoy them all! ♦

LIZ-TERINE! ♣

We'd wash our mouth out with her juices...

Liz has got a dirty little secret. Well, we're about to render it 'unsecret', but there you go. Basically, if you fuck her, you'd better have a tarpaulin or an umbrella handy. She gets wet.

"Oh, I'm an uncontrollable squirter when I have an orgasm," she giggles. "The first time it happened I was so embarrassed, but now men tell me it's really sexy – they can see that they're hitting the right places, they feel good."

So, are you copious?

"Over a good two hour fuck session, you'll get drenched. But then a lot of men I know love to eat me out while I squirt. They like the taste."

Well, we'll swallow yours if you swallow ours... ♣

PORN STAR GRAVEYARD

Let us pray for the dearly departed guzzlers of cum...

No. 9 - Linda Lovelace

Primarily remembered for beginning and ending her adult movie career up to her epiglottis in dick, Linda Lovelace had a dislike/hate relationship with the adult industry. A strict Catholic by upbringing, she clearly had mixed emotions about the business that made her a star and, in her eyes, took away her dignity. Ironically, considering her tragic death behind the wheel of an automobile, it was a car crash that brought her into the world of porn. As she was recovering from a crash in New York City back in 1970, the 21-year-old Linda Susan Boreman hooked up with Chuck

Traynor, and they began to appear in 16mm stag loops together. This led to her being cast in *Deep Throat*, which remains one of the most successful porn films of all time. Lovelace proved to be a good dick-swallower, but this was the last time she was to appear on film in the act of coitus, as her drug dependency took over. More worryingly, the claims she made that she was forced to appear in these films against her will came to the surface, and the fun was most definitely over. Lovelace became an anti-porn campaigner, and filed charges against Traynor for the abuse he allegedly inflicted upon her. She later came out against the feminist movement she stood up for, saying they had never done anything for her, then did a glamour pictorial in *Leg Show* magazine in the '80s. A confused Catholic indeed. Later this year we can expect to see Lindsey Lohan play her in the biopic of her life. We're just hoping Lilo is working hard right now on her deep-throat technique...

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: **Pamela Anderson**

Sure, we'd all like a go honking those mighty funbags, but there are a few issues to bear in mind when pondering whether or not you'd slip ol' Barb Wire the love pump. First off, she looks great still with her make-up on, but when it comes off the years of partying start to show. Sad fact, but true. Secondly, would you really want to put your weiner where a bunch of poodle-haired soft-rockers have put theirs? Especially considering the number of groupies they've probably caught diseases off over the years? Not saying Pammy's contaminated, but there's video proof of her unprotected bouts with guys who've fucked more grungy rock chicks than you or I have had wanks. And finally, while we all like cuddly ickle animals, she's an out-and-out veggie activist who'd probably scream like a banshee at you for eating a bacon sarnie after you'd done her up the wrong 'un. And that, my friends, is a bridge too far. Sorry, Pam, you're shit outta luck - I'm booting you out of bed. Now get dressed and don't darken my door again. But

before you go, let's have a quick honk on those tits...

RESPECTABALLS

WHEN PORN STARS HIT THE MAINSTREAM...

Tera Patrick is a name that's pretty damn well known outside of the jazz-spattered industry she made it in. I'm not saying your nan's read about her in *TV Quick*, but Tera's got her fingers in a few pies that aren't just her co-stars' twats. For instance, she was part of the marketing campaign for the video game *Saints Row 2*, lending her voice to a character and appearing all over their posters. She released her autobiography *Sinner Takes All* (ha! I get it!) in January, which tells of her path to fame, her troubles along the way, and the tale of her marriage and subsequent divorce from Biohazard rocker Evan Seinfeld. Whilst not a best-seller, the book's done pretty well for a porn star memoir, fitting for the first adult biz babe to grace the cover of *US FHM*, and a regular on Howard Stern's pervy radio show. Tera's at that age now when fuckflick actresses hang up their stripper

heels and produce, direct, and further other boring mainstream pursuits. We wish her all the best in that regard, but would like to urge her to keep getting those hooters slathered with man-milk on film. It's the decent thing to do, all things considered.

Tera: A Saint she ain't!

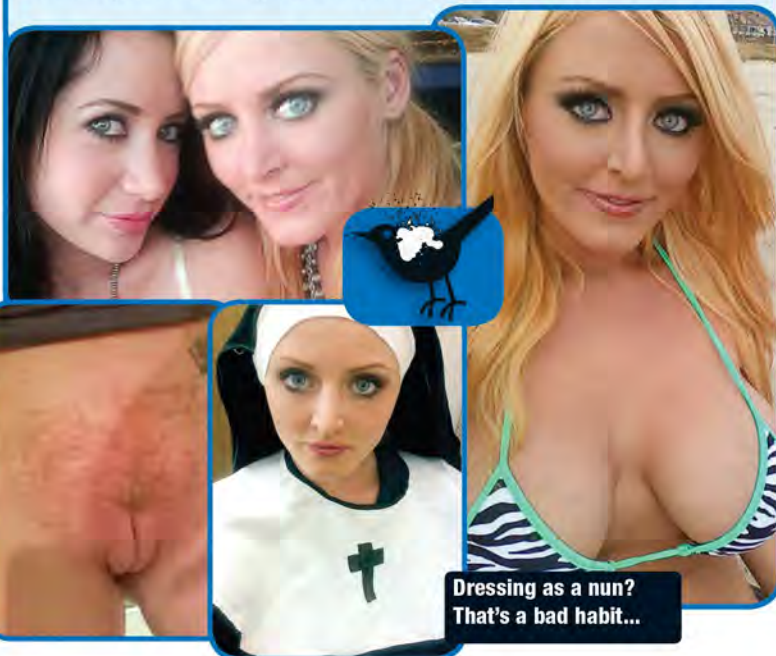

jizz on my twits

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Welsh ex-pat porn princess Sophie Dee (now safely ensconced in the cuddly environs of LA's adult movie scene) and her dogs, Bobo and Sammy, are keen twitters, keeping all and sundry updated with tales of trips to the gym, to the vets, and to hardcore pornographic shoots (just Sophie, not Bobo and Sammy, thank the lord). Following Sophie doesn't necessarily give you much insight further than what she likes to eat (which veers between junk foods and health foods, presumably depending on her levels of depression) and what kind of working out she likes to do (kickboxing and spin, mainly, whatever the fuck spin is), but she's keen on posting saucy pics of herself through her Flickr account, and chats back with fans on a very regular basis. So all in all, she's worth following. Here are a few choice utterances from her (possibly ever so slightly vacant) mind...

"urghhhh! how frustrating, just seen my newest photo set, and i dont see any change in my body, from 3 weeks of working out and diet :(" "
"@ my boob doctors office. having a follow up. as its now been over a year from when i had my boobs. so there getting checked out."
"finished my shoot... had a yummy cock today.. had fun"
"everyone should try crave restraunt on ventura blvd. its so yummy! best paninis"
"think im gonna have to call the vets tomoz, bobo, has been trying to lick the same spot on his body, like its bugging him, i dont see anything"

Yeah, like I said, she's no rocket scientist (it would be a bit weird if she was, to be honest) and you can find Sophie over at www.twitter.com/sophiedee. Go and drop her a message and tell her how much you like her boobies. Also, she's a bit touchy about her weight so if you say nice things about her figure then you might be in with a chance!

Dressing as a nun?
That's a bad habit...

Smoo-ray

HD T&A - THE WAY GOD INTENDED...

I'm starting to realise that the films I sit through to recommend for Smoo-Ray are almost always shit. Hollywood take note, we'd all very much like to see famous actresses get their ya-yas out in films that are otherwise watchable, please. Remember when Heather Graham got it all out on the amazing *Boogie Nights*? Perfect. Remember when she got it all out in the almost unwatchable *Killing Me Softly*? Fucking sort it out, yeah? And so it goes: *Spread* stars the thoroughly punchable Ashton Kutcher, who plays a smug, womanising prick. It's supposed to be a comedy of sorts, but there are zero laughs. However, there is a reason to pick up the Blu-ray (which is out now and already pretty cheap) and that's for a good look at the assets of its many female stars, most of whom do some bare-assed romping and, at the very least, show some tit. Anne Heche is coy but shows some skin, and proves that she's looking better at the moment than she ever was. Other ladies who disrobe include the very hot Rachel Blanchard, and someone by the name of Jenae Altschwager, who plays a titted stripper who you'd gladly stick a tenner in the knickers of. So, like I say, shit film but plenty of clarse on display, which is reason enough to dip in. Be warned: you'll end up wanting to punch Mr Demi Moore more than you did when you put it on.

PRICKIPEDIA

TRUDGING THROUGH THE WORLD'S SEX TRIVIA SO YOU DON'T HAVE TO...

The longest daisy chain is thought to have been at one of Emperor Tiberius's orgies, it was estimated at thirty people (a bit like that *Human Centipede* film)

The earliest breast implants were done in the 1940s by Japanese prostitutes hoping to entice the American GI's. They injected their breasts with liquid silicon (which sounds perfectly safe, doesn't it?)

The largest pornography collection in the world is located at The Institute for Advanced Study of Human Sexuality. It contains 80,000 pornographic books and at least 150,000 movies (erm, they clearly haven't seen my attic)

The most ejaculatory orgasms ever recorded in one hour for a man is 16. However, although no official records exist, a man can have more (but he'll be shooting air after about seven, trust me)

Motorola Droid
£250

www.motorola.co.uk

Ever since the iPhone changed the game, telecoms companies

have been flooding the marketplace with incremental improvements all of which somehow lack the magic pizzazz of Apple's output. While the HTC smart phones are better phones, and have lovely screens, they're a bit app-shy, and the same goes for Motorola's latest effort. Yet the Android 2.1, screen quality and keyboard here make this a decent rival if you're on a tariff that doesn't give you a nice trendy Apple phone in return for your monthly wedge. Of course, if you spend all night ignoring your mates while checking your Facebook updates and tweeting that you're in a pub with your mates, you're

a complete tool.

Pros: Lovely screen, better camera than the iPhone.

Cons: Nice keyboard – if you've got Jeremy Beadle's fingers.

Canon Powershot G11
£400

www.canon.co.uk

People bang on about megapixels like they bang on about the size of their plasma screens – like it's a dick measuring contest. In reality, megapixels are

calculated in such a way that a 10mp camera isn't twice as good as a 5mp camera, it would have to be a 20mp camera to be so. Anyway, enough of that boring claptrap, suffice to say that Canon have dropped down a megapixel on this effort, but the picture quality is, paradoxically, improved. There's a nice flippable, tiltable, rotatable screen to help you shoot in hard-to-reach places and the solid build quality and features we've come to expect from Canon's digital range.

Pros: The handy tilt and rotate screen and reliably solid build.

Cons: As well as no HD video, it's still a little bulky

to fit in a pocket, so you won't be able to whip it out as a 'surprise'.

Live Luggage
From £265

www.liveluggage.com

My, what a lazy nation we are. We've never quite got over not having people to carry our luggage for us, so we're always thinking of ways to make going on holiday that bit more of a dross. Actually, waddling from terminal to terminal at an airport with old-fashioned suitcases full of duty-free dangling from our hands is our idea of hell, which is why this anti-gravity luggage is a boon. The 'anti-gravity' aspect comes in the handle, which makes even a rammed case feel almost weightless by putting 85% of the weight over the wheels. The force sensors power up the case when it senses a gradient or a kerb. Even without the labour-saving aspect, this is stylish luggage, although the price isn't really worth it without the anti-gravity hoopla. Lazy? Yes. Skill? Most definitely.

Pros: Makes the heaviest case a doddle, stylish, flexible, practical.

Cons: Needs recharging after just 1.5 miles. ♣

Every time we see her, we swell up...

Natalia might hail from these sceptered isles, but she's never bloody here, trust us. We can map out the stamps on her passport from the photosets we see of her. Here she is sunning it up in Thailand, now she's chowing down on pussy in the Czech Republic and, today, she's soaking up some rays in Portugal. What a life.

"Hey, it's very tiring travelling all the time," she protests. "Hopping on and off planes, strange beds, different cuisines, time zones, it all plays havoc with your mind and body."

We feel for you, truly.

NAME: Riva **AGE:** 24

FAVE SEX: Anywhere outside!

WHAT'S SHE LIKE? A playful minx with a bit of the dom about her.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

How better to start off in modelling than in the mag that has all the fittest girls?

MOST KIND. SOMETHING TELLS US YOU'RE NOT THE SHY TYPE.

Being shy never got me anywhere. I like to speak my mind. And I've got a dirty mind!

HOW DIRTY?

Well, that's for me to know and any lucky bloke to find out, but they'd better be broad-minded. I don't get off on vanilla missionary sex. I like it hard, kinky, sweaty and preferably outside.

MOST EXCITING PLACE?

I did it in a swimming pool on holiday. It doesn't sound like much, but there were dozens of people sunbathing around the outside of it. None of them noticed!

ANY FANTASIES LEFT?

Oh, loads. But I'm finding it hard to find a man who'll let me really use him! I've got a big, fat, black strap-on and I want to use it on a man – I've done plenty of girls with it and it works a treat. Any man who lets me fuck him in the arse can do me any which way he chooses. It's the least I can do! ♣

OASIS

Time Flies 1994 – 2009
(Big Brother)

Unless you are the world's biggest OCD Oasis fan, there is no reason why you would need to spend a fraction of your bank balance on a 3 CD collection of the band's singles. Save your brass and invest it in *Cigarettes and Alcohol*. Literally.

EXAMPLE

Won't Go Quietly (Data)

Example is the future – cool as fuck electro pop that makes La Roux sound like a nursery rhyme. Working alongside MJ Cole, Chase

& Status and Sub Focus, these are the tunes that will still be worth fingering girls to this time next year.

STORNOWAY

Beachcomber's Windowsill
(4AD)

Beachcomber's Windowsill is the musical equivalent of punting down the river in Oxford whilst receiving

a handjob from a post graduate in fine art on a glorious summer's day. Lovely, refreshing, and something that you will want again.

INTERNATIONAL DEEJAY GIGOLOS

CD Twelve (Gigolo)

31 tracks of quality electro all stamped with DJ Hell's seal of approval – 17 of them previously unreleased.

Party back at your gaffe? Not to worry, stick this on and you'll have them gurning until the carvery opens.

TIEFSCHWARZ

Chocolate (Souvenir)

Not quite as full on as what you might expect from the German brothers, this is more for the bar than the nightclub. Still, if you're

trying to impress a lady who spends her pocket money on plant feed and record cleaner, this could well be just the ticket.

THE NAKED LIFE GUARD...

CLUB CHATS TO THE DELAYS KEYBOARDIST AND VOCALIST, AARON GILBERT...

What jobs did you do before all the music kicked off?

I was a lifeguard at one of the council leisure pools in Southampton and I used to get caught sleeping at the side of the pool whilst on duty. There used to be a nudist session on a Sunday night and I had to life guard it. The nudists never spoke to me because I wore clothes, so one week I did it naked and then they were fine with me; they thought I was one of them.

Bonkers. Did you get a semi-on whilst they were doing the backstroke?

There was no chance of that with the people that were in there. They were big – if they were a bingo number they would be 88.

Where is your favourite place you have been to in the world?

Lake Lillooet in Whistler, Canada. There was a massive lake with snow all around it and we were canoeing down the snow on the slopes and straight into the lake. Everything clicked into place. It was brilliant.

Got any fishing stories?

Well, I used to have a job strimming hedges and cutting the grass on the side of the motorway. We had no one watching us so we just used to go fishing! I loved that job but eventually we were caught and I got the sack. Also, I'm going ice fishing in the Arctic at the end of the year.

Classic. What's your personal best?

A 16lb mirror carp caught on sweetcorn. I can't explain the elation I felt.

Ever been in trouble with the old bill?

Yeah, when I was younger. I set fire to someone's jacket on the bus once. It was a shell suit kind of thing and it just went up! It could have been really bad. The guy knew who I was and the police came straight round.

Have you ever killed an animal?

Yeah, I had a little TT rifle and I used to shoot birds out of the trees in the field near where my Mum lives. I feel really bad about it now. And I once bricked a squirrel. It had been battered by a cat and I was trying to help it out. The first shot kind of grazed it but the second shot put it out of its misery.

Has your girlfriend ever caught you having a wank?

No, but my Mum and Dad did!

Most random place you've had sex?

In a hot air balloon flying over the south coast and Bournemouth beach.

Excellent! Do you like your Mrs shaven or bushy?

Somewhere in between. A nice Brazilian.

And have you got any kinky fetishes?

I prefer it when she's naked!

You're a legend. Keep on shaggin'. Star Tiger, Star Ariel is out now.

LOVE!

2010 FIFA WORLD CUP SOUTH AFRICA (EA SPORTS)

PS3, Xbox 360, Wii

★★★★

This is already out, but we held back our review to coincide with that bit of the World Cup where England come home, tails between legs. This game is your chance to change the course of history, and take England (or any other team) through the qualification process to South African glory. The FIFA engine plays smoothly but commentary glitches abound – the men behind the mic exclaiming about an incredible stop by the goalie, when in fact the ball rolled straight into his arms from a weak shot. And the cut-aways to managers become infuriating. But it's all about the gameplay – the Be A Pro mode is a sweet addition, and this'll fill those gaps between games and trips to the fridge for beers very nicely, thanks.

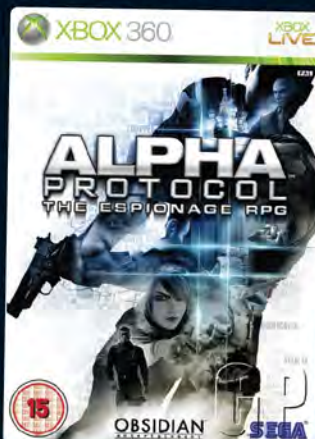

ALPHA PROTOCOL (Sega)

PS3, Xbox 360, PC

★★★★

Brought to us by Obsidian – the folks behind the acclaimed *Neverwinter Nights 2* – *Alpha Protocol* comes with a USP, which is as much millstone as something to benefit from. Calling yourself 'The Espionage RPG' is all well and good, but what if such a thing is neither to be desired nor any good in practice. Happily, it's mostly good – the RPG elements are mixed well with the stealth and action elements, and you do occasionally feel that your choices are influencing the games' direction. However, we've played many an RPG with action elements and bits of stealth too. So, good game, but you can stick your USP up your arse.

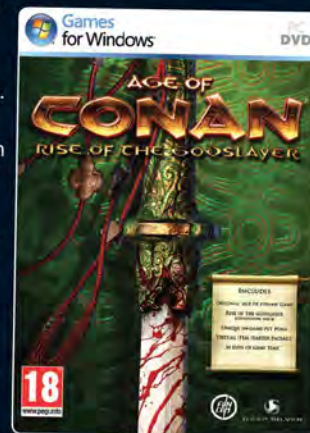

AGE OF CONAN: RISE OF THE GODSLAYER (Deep Silver)

PC

★★★★

If you're 'time poor', like us, then you probably won't have got around to exhausting the wonders of the *Age of Conan: Hyborian Adventures* MMORPG just yet, but plenty of people with nothing else to do clearly have. Hence this timely expansion for the excellent online RPG. Available in physical and digital formats, the expansion opens up a new empire – Khitai – for players to explore, as well as new gameplay mechanics, quests and pets. Yes, pets. Exploring the world of Conan can be lonely without a striped moggy who can take enemies down as your companion. We're serious.

NAOMI MEANS YES!

Geri and I were never exclusive but we kept our other girlfriends private. Then she met Naomi and seemed desperate to introduce us – and I soon found out why. She was one sexy, cunt-crazed girl.

Geri and I are both blonde, and Naomi has long, raven hair. After a couple of drinks we all got naked, and I finally got to see her magnificent tits – huge, natural globes with the biggest nipples I've ever seen. I dove my face between them, nuzzling the soft flesh, then lapped around her pink peaks. She'd brought a surprise for us both – a strap-on even Geri hadn't seen. But instead of fixing it over her crotch she wrapped it around her thigh, leaving her pussy exposed.

I sunk down on it, taking a little at a time before I was straddling it to the hilt. Naomi spread her legs, angling her clit against my thigh, mouth finding my nipple. My tits are big, though not as big as hers, but she got a good mouthful.

Geri was fondling my arse cheeks, pulling them wide, running a spit-wet finger around the rim of my bumhole. As I squirmed I slipped free of the dildo, the head of it touching up against my crack. Geri grabbed it, then fed it slowly in my arse, hearing me whimper with pleasure as I lowered myself down slowly. Now Naomi was

“Naomi's twat lips matched her plump and beautiful boobs, firm and fleshy in my mouth...”

fingering my clit, making me cum instantly, multiple times.

I could feel her pussy, hot and sloppy against my leg. I squirmed my fingers inside of myself until I was all orgasmed out, then hoisted myself up, legs still shaking, and got on my knees in front of Naomi.

While Geri went to fetch fresh toys, I got busy licking her friend. Naomi's twat lips matched her plump and beautiful boobs, firm and fleshy in my mouth. I sucked around them, teasing, then drove three fingers in her snatch, while clamping my mouth over her clit.

Geri came in to find Naomi wailing her pleasure, creaming in my mouth. For a while she just watched and did herself with one of her dildos – I heard the wet squelch as she pumped it in and out. Then she began to bang me from behind with it, holding a vibrator on my clit as

well, until I was cumming just as hard as Naomi. Naomi said she wanted a taste of pussy too, so Geri pulled out the dildo and fed it in her mouth. I heard her slurp it and looked up in time to see her deepthroat the length of it. “So I fuck blokes too,” she confessed once it slid back out – not that Geri and I are strangers to cock!

Now it was Geri's turn and both Naomi and I knew what she liked – to have her G-spot tickled. Normally, we'd use a vibrator on her clit, but this time it was going to be Naomi's tongue. I'd felt her flick and flutter it against my hard nipple, and just watching what she did with it to Geri's bud got my own cunt throbbing and juicing up.

Geri was already losing it, moaning and jerking her hips, when I slid two fingers in her pussy, finding her spot almost instantly. Now she went wild, Naomi having to steady her so that she didn't throw us all off of the sofa. I

University student and I had a threesome with a fit couple. Stella and Harvey saw me eating dinner alone while my man was already M.I.A., and Stella asked if I'd like to join them. It's usually the woman who asks, but the trick is to look at the guy – if sex is on the cards, he'll always give it away!

We ended up in their room, with Stella and I doing a striptease, but when I saw the size of Harvey's dick, I asked if he could join in. I was at the centre of the fun, him fucking me while she settled her cunt on my face. I've eaten lots of pussy and I sucked on hers with relish, swallowing down her juices as she frigged her own clit. And the big dick pumping away inside of my hole soon built up the right kind of friction. I made Stella climax first, then Harvey got me there, and I felt her fanny snap tight around my tongue again as I licked her deeper.

As she moved off my face – she couldn't handle any more licking right now – Harvey slammed in hard, and blew his load in my pussy. Then, suddenly, like he'd forgotten himself, he pulled out, wringing the last drops of jizz all over my shaved mound. Stella leaned forward and began to scoop it out with her fingers, rubbing it on my clit so that she could lap it up as she licked me. Then she ate her way to my hole, fingers rolling and squeezing my clit. I was soon cumming, Harvey's spunk pouring out of me into her mouth.

Next thing I knew, Harvey was in behind my head, playing with her arse and pussy as he stroked his dick stiff above me. Now I was getting eaten as he pushed into her plump folds, juices dripping out to splash me. He kept telling me what a sex-crazy bitch she was, how his cock never satisfied her – she always needed another serving of meat or a wet pussy to snack on. They'd been here a week and already got three girls and a man to join in their fun.

felt her start to cum around my fingers and I've never known her get so wet. The juices were flooding out of her twat, soaking my hand.

It wasn't until a minute later that she got me to stop and I slathered it all over her boobs. Then she dragged my hand back in between her legs, and Naomi and I sucked the sweet stuff off of her nipples.

Geri tells me Naomi's got a 'total crush' on me and it won't be long before we all hook up again. This weekend, I'll be fucking Naomi, just the two of us – we've been talking dirty about it on the phone, and it's going to be all about toys and arse-play. Geri's fine with it – she'll be out on the hunt for new pussy to share with us!

CUMMER HOLIDAY!

My boyfriend and I are totally monogamous in everyday life, but when we go on holiday, the deal is that we can sleep around all we like. We've got each other to fall back on if we don't get lucky, but so far that's never happened!

Last time, he hooked up with a female

"Of course, you're the sexiest girl we've had," said Stella. I didn't believe her, but as long as she kept doing that to my pussy, I didn't care... I'm not even sure I believed Harvey – his wife was insatiable, but she seemed to like what he was doing with his dick. Even as he pulled out to give me a suck on it, she ground back onto his fingers. Then I grabbed hold of it, wanking it in and out of her cunt before he fucked her with his full length.

He loved my tan lines, and asked would I be okay with him emptying his balls on my pale tits. I said why not, and so he began to wank his moist prick up against them. They're small and natural, too little for a tit-fuck, but Stella sunk down on them, smothering them with pussy cream and then Harvey added to the big, sticky mess. Then I played with my cunt while they sucked and licked me clean, starting to think maybe I was the sexiest girl of the week after all! They were both exhausted and shaky from cumming so hard, yet they couldn't keep

streams down my thighs as I squatted down, my knickers just a wet string against my slit. I shimmied out of them, then went to straddle him. He had a little suck on my tits, then said to turn around. He wanted to see my arse. Then he pulled me down on him reverse cowgirl, making me squeal as his dick, now rigid again, surged into my wet cunt.

I bucked and gyrated on it, taking him deep, then pulling right off, only to cup his helmet and put it straight back in me again. He soon got tired of games and grabbed me around the hips, keeping himself deep inside of me. The fat prick thudding up into my cunt sent shockwaves through me, and as he began to play with my tits, I started to cum. He groaned, I felt him try to get back in control, and so I tightened my grip even more. Another arse-wiggle and he was done, spunk spurting out. And as I lifted

"The fat prick thudding up into my cunt sent shockwaves through me..."

their hands or mouths off of me.

When they flew home, I wondered would I finally spend a few days banging my boyfriend. But as I was dozing by the pool, sleeping off my farewell fuck-session with the couple, a big guy came and hit on me. It's impossible to hide a hard-on in swimming trunks, but he was hiding it in the depths of my cunt an hour later...

BEN TEN INCHES!

Whether I'm single, dating or in a relationship, one thing's beyond any doubt. I honestly can't last more than a couple of months without getting fucked. Most recently, I'd gone around six weeks between dates, so it was time to give up on any subtle moves. And when I got an opportunity, I literally seized it by the balls!

I was at a crowded shopping centre when some man jostled me. It was an accident but when I saw his fit arse, I deliberately dropped my shopping bags and yelled, "Oi!" Lucky for me – and him! – Ben was a gentleman. He apologised, and offered me a lift home. I flirted and he asked if I'd ever go out with a clumsy oaf like him, so I admitted the truth. "I think you owe me," he said, but payback came sooner than he expected.

A half-hour later, as he sat in my armchair enjoying a beer, I yanked his jeans down, springing his huge cock – the biggest I've ever had – so I could give it the same treatment. He soon forgot about his drink as he focused on my mouth around his helmet and his balls rolling between my palms. I swallowed, too – his jizz bubbled up and out to coat my tongue, and as I gulped it down I asked was I forgiven. "Not even close," he said, ready to take total advantage of me.

Like I objected! My cunt was dripping

up, I saw it gush out over his balls.

He mopped it up with my soaked knickers, then rubbed it on my tits. He'd liked playing with my cheeks, and now it was two different globes getting all his attention. I frigged myself to another orgasm as he sucked on my nipples, then

got on my knees in front of him, and slapped his thick prick in between them.

He let me take the lead, kneading my titflesh around it. Then he began to thrust, ramming in and out between them. His helmet was purple red, skin stretched and shiny as it plunged in and out the top of my cleavage. Thinking how good he'd felt and tasted in my mouth made me want to suck him all over again. But as I looked at the clear fluid seeping out his tip, I knew I wanted him to jizz all over my tits.

Almost as soon as I thought it, I felt his nuts bunch up against my chest, and then his spunk shot out like a white fountain on my boobs. I let him finish, then felt it trickle down onto my tummy, before playing with it as I shoved my tits together, and savouring his salty taste again. I don't think I'm forgiven for my duplicity yet – Ben says I've got a lot of fucking to do first. Not that spunk-showers and orgasms are the best way to make me see the error of my ways!

RATINGS: ★ ROM-COM ★★ ROMULUS ★★★ ROMPS ★★★★★ ROMESCO SAUCE ★★★★★ ROMERO

GEORGE A. ROMERO

MARTIN (ARROW VIDEO DVD £15.99)

George A. Romero might be best known for his zombie meisterworks – particularly *Night of the Living Dead*, *Dawn of the Dead* and *Day of the Dead* – but his personal favourite of his own movies is *Martin*. A sideways step into the vampire genre, *Martin* finds Romero unwilling to play the fanged film game, giving vampire films a much-needed shot in the arm by playing with the mythology. Loner Martin has bloodlust, certainly, and after sedating women he cuts their wrists to drink their blood, but is he really a vampire, or just a sick individual? His uncle, Cuda, clearly thinks he's the former, and his attempts to use garlic and crucifixes against Martin come to precisely nothing. John Amplas is superb as the dead-souled lead, in a film that creates an atmosphere of ghoulish melancholy. This superb release comes with aspect ratio options, the Italian cut of the movie (with its ace Goblin score) and some postcards of various versions of the poster. Definitely a DVD to get your teeth into. Sorry.

FUNNY GAMES (KALEIDOSCOPE ENTERTAINMENT, £15.99 BLU-RAY)

Michael Haneke is the master of distancing audiences from the usual way of experiencing cinema. If you're sitting down with some popcorn for something to wile away 2 hours with, skip on Haneke. If you want your complicity in on and off-screen violence to be questioned, pull up a seat. *Funny Games* set the template for such explorations. How about a happy twist that is then wrenched away by a literal rewind of what just happened? How about an ending that is the epitome of the banality of evil? There was some cynicism about this US remake, and while the star casting makes it harder to submit to Haneke's experiment, the net effect on the viewer is similar. A laugh riot it is not, but an important film about film it most definitely is. ★★ ★

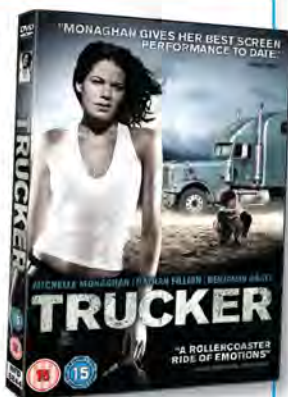

OLD MAN DRINKS – ROBERT SCHNAKENBERG (QUIRK £9.99)

Blame *Sex and the City*, blame our fetishisation of food culture, but cocktails have got awfully poncey in recent years. Cappuccino martinis? Grow up. *Old Man Drinks* is a stern corrective to such nonsense, a pocket-sized guide to forgotten snifters like the Salty Dog, the Sazerac and the Matador. The recipes are interweaved with barroom 'wisdom' from sundry old men. Factory worker Dick, 80, sums it up just perfectly: "I'm gonna die someday, so I may as well drink." ★★ ★

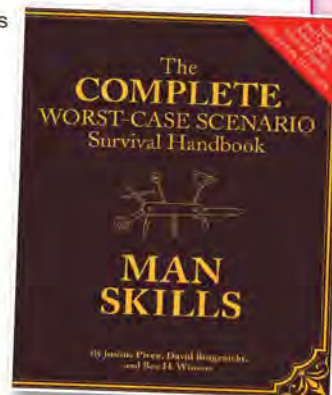

TRUCKER (HIGH FLIERS FILMS £12.99)

Michelle Monaghan is an excellent actress who had done herself few favours by starring in some genuine clunkers. For every *Kiss Kiss Bang Bang* or *Gone Baby Gone* on her CV, there's a *Mission: Impossible III* or *Eagle Eye*. *Trucker* finally exploits her talents fully, an under-the-radar indie that has been quietly picking up acclaim on the festival circuit. Monaghan plays Diane Ford, a carefree truck driver whose life is sent into a spin when her estranged 11-year-old son rocks up out of nowhere. There is a relationship of mutual indifference, although the inevitable thawing takes this movie into more familiar territory. Yet while it's a steady watch, the underplayed excellence of Monaghan carries it all the way. ★★ ★

THE COMPLETE WORST-CASE SCENARIO SURVIVAL HANDBOOK – PIVEN, BORGENICHT AND WINTERS (CHRONICLE BOOKS £16.99)

The *Worst-Case Scenario* handbooks have, for the last ten years, been helping folk to overcome their fears, crises and mildly annoying situations, with their step-by-step illustrated guides. Who can forget classics like 'How to deliver a baby in a taxi'? This hardback edition is truly compendious, ranging from 'How to ski off a 100ft drop' to the essential knowledge that is 'How to keep beverages cold in a desert'. As a bonus, it also comes with a searchable DVD. We likes. ★★ ★

CULT SPAGHETTI WESTERNS (ARGENT FILMS £24.99)

There's a tendency to treat the Spaggy Western genre as consisting chiefly of team-ups between Sergio Leone and Clint Eastwood, with the occasional dash of Sam Peckinpah. Of course, it stretches much farther than that, which makes this boxset a pleasure. Corbucci's *Django* is a landmark, Franco Nero starring in a sweaty blast of a movie. Damiano Damiani gave us *A Bullet for the General* in 1968, a movie with plenty of political commitment and a typically mental performance from Klaus Kinski. Enzo G. Castellari is best known for directing the original *The Inglorious Bastards*. His *Keoma* also stars Franco Nero in a tense classic that can be boiled down to: lone gunman, small town, villain, justice. This is a boxset to prize. ★★ ★

ROCK HER WORLD: THE SEX GUIDE FOR THE MODERN MAN – ADAM GLASSER AKA SEYMORE BUTTS (VERMILION £11.99)

You can publish sex guides from now until the end of the Universe, and you'll struggle to find one that tells us anything that isn't blindingly obvious. Yank porn veteran Seymore Butts gives it a go, but this still gets bogged down in anal sex pointers you've heard a million times, sex positions that are old hat and stuff like birth control efficacy that is beyond Googleable. The 'conversational openers' are stalky, and this book is only lifted by some reasonably engaging anecdotes from Glasser's porn career. Still, it holds up a wobbly table a treat. ★★

The place to be for the world's dirtiest backdoor sex stories. It'll be all tight on the night...

CAMPUS CORNHOLE

To all those silly girls who won't do anal because they don't want to be the 'Up-The-Bum Girl' – that's fine with me. I'll be her! I got a reputation at University after letting a boyfriend in my backdoor, just because I thought every girl did it. I was wrong on that count but, bloody hell, I was popular when word got around!

It got me in a few mental situations too. One time Selena, who was queen bee of the pretty and popular clique, spoke to me about her boyfriend, Scott. She had this pure image, although word was she'd fucked plenty of blokes on campus before Scott and was a secret blowjob addict.

She told me Scott wanted a threesome with another girl and, as he'd always wanted anal – which didn't appeal to her – she thought maybe I could hook up with them. I hated that I was attracted to a sport Billy like him, but it was me

like it just a little rough! But he wasn't anywhere near cumming just yet – I think Selena must have already sucked him off before I arrived.

He grabbed my hips, pulling my arse hard against him, his hairy balls grazing up against my shaved pussy lips. He was fucking me like this was all about him, so I told Selena to frig me. She stuck a hand between my legs, willing but a little hesitant, and so I grabbed it, rubbing it up against my clit. I always orgasm quickly from anal and I could feel the juices running out of my pussy as it went into spasm.

I thought Scott would jizz inside my bum but when I felt him get close, he suddenly pulled out, slamming his knob along my crack. Then he came all over my lower back. Selena, still playing with my clit, bowed her head and began to lick it off of me. Then when she was done with that, I turned to see her tonguing up my juices from Scott's dick.

"I made it look easy, my arse taking him in down to his balls in one steady push..."

doing them a favour, so I said yes.

She looked so prissy in her pink flowery bra and matching knickers, but it turned out she was almost as dirty as me. Scott sat on the bed, a big hard-on tenting his boxer shorts, while Selena stripped me naked and licked me all over, desperate to impress him with her kinkiness. He just looked arrogant until I caught his eye and blew him a kiss, which was enough to make his dick twitch.

"Roll over," said Selena and licked down my spine as I lay on my front. Then she splayed my legs and began to play with my arse, nuzzling between my buttocks, then rimming my arsehole and probing it with her fingers. She told Scott she couldn't wait to see him fuck me there, that he was going to blow his load right away – he was quick to assure me he'd last longer than that!

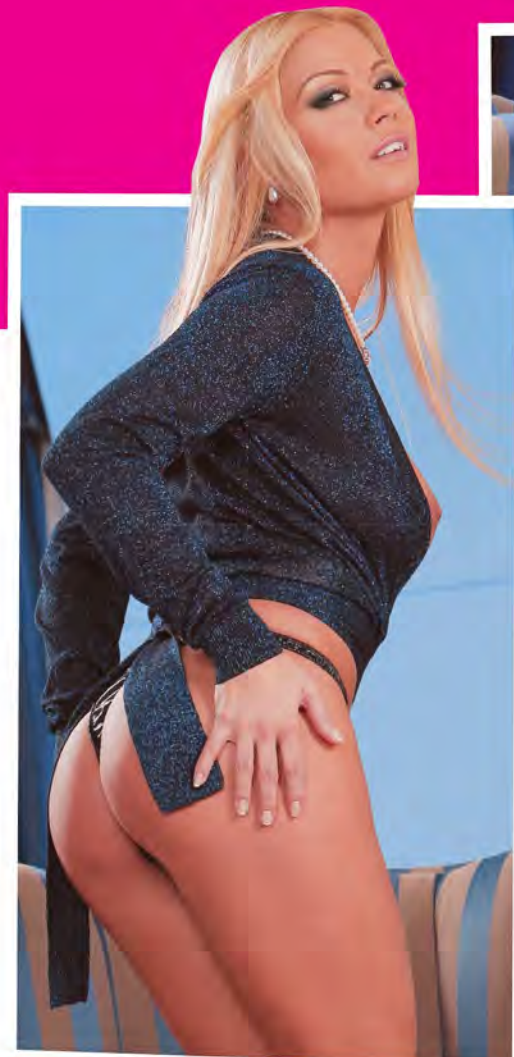

There was only one way to find out. I'd brought some lube and raised my arse up to let Selena apply it, then she used her fingers to guide his hard-on carefully inside. Being an anal veteran already, I made it look real easy, my arse taking him in down to his balls in one steady push.

He froze for a second, taking in the feel of it. Then he began fucking me. He was a little excited – good thing I

Scott went to get us all drinks, and came back to find me and Selena exploring our lezzie side! Forget the rumours that this girl was a slag, I think 'dyke in denial' was more like it. She was grinding against three fingers of my hand, and sucking on my tits, so lost in the moment that she didn't even notice Scott coming back in the room. Not that she minded taking her turn sitting on his dick as I gave him a faceful of bum and pussy.

The threesome was supposed to be our little secret and I kept it that way, but Scott couldn't resist telling his mates a few details. No matter – my new, enhanced rep as an anal-loving bi-nympho sent loads more pussy as well as cock my way!

Carla, Huddersfield

and exposed, then I used my juices to lube up Lara's arsehole. She looked impossibly tight and yet her pucker stretched easily, taking inch after inch of his thick tool. I watched, my hand wedged in

SWAP POP

Jonah is my fuck-friend (sorry, I'm not American, I don't say 'buddy'!). He's a gentleman – maybe a little too much so. Sometimes we go out looking for fun and, if there's no one else worth fucking, we go home together. Usually, I spot my target first, but this time Jonah's pussy-radar went haywire.

She was this beautiful raven-haired girl with oriental heritage – but he wanted me to find someone to hook up with before he made a move. "Go talk to her or I will," I said. And that's how it turned out. I fixed us up with a threesome with the babe. I thought Lara and I would start the party, but she was so into Jonah they tore straight into each other. I even had to unzip my own dress, by which time they were naked on the sofa. I was happy to masturbate – I'd get my due from him another time! But I was still the object of his sense of humour. Lara said I must be a kind person to share his dick like this.

"No, she's a total bitch," he said. Then he splayed my cheeks and told her, "She's never even let me fuck this beautiful arse." Bullshit – his prick has seen the inside of my bum more times than the inside of his boxers. But Lara realised he was joking, though she played along.

"Make her cum and I'll let you fuck me in my arse," she said.

He got me to sit on him cowgirl, then powered in hard, fingers on my clit so I'd orgasm before he even got close himself. I clamped around his shaft – I could have made him cum easily if I'd wanted to, but I was satisfied for now, and eager to see him give that tight hole some meat.

I rose up, leaving his hard-on wet

between my thighs as he pumped in slow; then Lara told me to straddle his face, so he could lick me while he arse-fucked her. Just seeing his meat plough this girl's arse, hearing her moans and the slapping of their flesh together got my juices flowing.

Both of them were teasing her clit, so her hole was squeezing and jerking around his cock. Soon, I saw the signs I know so well and, sure enough, his prick started to hammer into her arsehole, then slid out spurting thick white jizz. I moved over her face and she immediately began to lick me – I realised that if I'd been feeling jealous at all, it was of Jonah for fucking Lara and not of her for banging my pal!

I went down on her pussy, then lapped at her clit as I slid a couple of fingers in her wet, slippery arse. The spunk was the only evidence she'd taken seven fat inches – her bumhole felt too tight to have just been fucked as she clenched around my digits.

With our agreement, Jonah snapped some pictures, then Lara dragged him back into the fray, dick first! She said that I should try his cock inside of my arse, "for the first time," then helped him slide it in as I squatted over it.

"You're a natural!" she said, winking at me, and then stood in front of me so I could suck on her tits and finger her twat. Maybe I was a little too generous that night – my fuck-friend is now actually going out with Lara. Not that it's going to mean I get any less action from him – once she even got him horny with phone foreplay, then sent him over to me. And I get visits from her, too – she says I have the sweetest pussy she's ever tasted.

Jessica, Charlton ♣

RATINGS: ★ DUST ★★ RUST ★★★ MUST ★★★★★ BUST ★★★★★★ LUST

LADIES WHO LUST (HARMONY)

With a winning mix of British and European sluts, this is the kind of up-close, greasy and oh-so-horny grumble that Harmony do so well. *Club* sports babe Michelle Moist indulges her penchant for black cock, before Lolly Badcock crashes the joint and takes that big rod in her backdoor. Intense lesbian action, anal poundings, DP's, sex in the loo, it's all pleasant and correct. And this being Harmony, the requisite masks and World War Two hats are in effect as well. As you do... ★★★★★

FRIENDS 4 LIFE (WICKED PICTURES)

With a plot that is beyond dumb, this stroke flick from Wicked lives or dies on the strength of its female lead. And in Alektra Blue, they've got a genuine star, albeit one that has toned down her gonzo predilections for the contract world. With Mikayla Mendez also in the cast, there's eye-candy galore, and blokes can feel better about themselves because if the under-endowed Barrett Blade and Eric Masterson can be porn studs, we've all got a chance. ★★★

BADASS SCHOOL GIRLS 4 (ADAM & EVE)

We've said it before and we'll say it again – where the fuck is this school that's full of fit sorts in plaid skirts banging the prof to get a better grade? Our University was full of over-sincere girls flirting with veganism and pretending to understand Saussure. This one has the incredibly fit Isis Taylor wrapping her lips around a big cock and the rest of the female cast doing the same. Come on British colleges, step your game up. Make plaid compulsory. For the women, obviously... ★★★

CROWN JULES! ♣

She's called Julia Crown, we had to...

They – whoever ‘they’ are – reckon you never walk anywhere in L.A. If that’s the case, then how come the delovely Julia Crown was spotted by a model agent as she walked through L.A.? So much for ‘they’.

“It’s only because my car was being fixed,” she confesses, “call it sweet serendipity because I was just waitressing, and now I get to be in *Club*.”

No offence to waitresses, but you’re far too horny to be getting anything other than huge tips.

“The place I worked, we weren’t allowed to flirt with customers, and we had to wear a shitty uniform that hid everything. I’m loving the freedom of flashing everything I’ve got now.”

So are we, so much so we’ve emptied our balls. Any chance of a refill? ♣

The mirror crack...

Evelyn is not a girl who is easily bored. Her modelling career takes her around the world and dumps her in hotel rooms from roach motels to 5 star spa retreats. But she's never bored.

"I've got a couple of people on speed-dial in pretty much every city I work in. If I feel horny and want some company, I call them up. I don't mind my own company – and there's always a pocket rocket in my handbag – but I've got quite the network of friends I can call to come and fuck me at any time of night or day."

Any gaps in the phone book?

"Only in places I haven't been to yet. I'm doing my first ever job in Tokyo soon, so I need a fuck-friend out there. But I work in London most of all, so maybe I should meet some more people there. Got any suggestions?"

Yep, our number is... ♣
